## 1. NATURE OF PRODUCT, WARRANTY, AND DISCLAIMER

Natural wood grains may vary from conceptual renderings or displays. Wood darkens with age and special ultraviolet protectors are added to custom finishes, but do not prevent the wood from darkening. Variations may occur from door to door and even between components of the same door. Exposure to sunlight may also change color over time.

Stains and painted finishes will vary according to 'hand rubbed' glazing products. Hand-rubbed applications may result in variations to uniformity and consistency, varying from renderings and displays.

Exposed ends are matched to finish and might vary in some cases due to the nature of the wood. All cabinet boxes are made from material selected by the client and listed on the Order Form. All wood doors will expand and contract with changes in humidity levels.
